

## **Agreement for Educational Services**

### ***“Right College Fit”***

*Delivery of services will be accomplished via in person meetings, “virtual” meetings online, email, and telephone conversations/conferences.*

#### **1. Getting to Know You**

With parents: Have parents fill out a parent survey of their child

Overview of the process

With student only: Meet the student, get to know them, get a picture of academic record, interests, likes, dislikes, extra-curricular activities, goals for college and life.

#### **2. What to Look For in a College**

Discuss options in higher education

What to look for in a college

What questions to ask for parents and students

Concept of fit and match

Find out what student is looking for in college experience

#### **3. Building a List/Help in Doing Further Research/How to Have a Successful Visit**

Deliver the list to the student and parents.

Discuss the colleges that are on the list and discuss the rationale behind each selection.

Discuss the concept of reach, probable, and likely and why the list should be balanced.

Go over any questions, comments they may have about the list.

Give student folder and/or notebook for gathering and organizing information.

Give student research strategies for investigating colleges independently.

Prepare student for college visits. What should they look for?

Fee:

(Hours in meetings, emails, phone conversations do not reflect the hours of research that the consultant contributes to the process.)
